

ICPAS PROFESSIONAL EXAMINATION

MODULE ENROLMENT

Procedures

Only candidates approved by ICPAS Board of Education and Examiners (BOEE) can register the ICPAS Professional Examination (PE). Please refer to the Important Dates and Information for the modules that are currently available for enrolment.

Methods to register for Modules Examinations

1. On line registration

Candidates may log in to their individual accounts at [Professional Examination \(PE\) website](#) to register for modules examination online. The modes of payment can be completed online via Internet Banking (eNETS) or Credit Card (VISA/Mastercard), following the submission of the online module enrolment.

2. Registration by email / fax / post

Candidates may register for the modules examination by completing [PE Transaction Form](#) and submit it to ICPAS Professional Examination Dept. Payments details are stated clearly on the form.

Candidates must register for the modules before the closing date to qualify for the next examination date.

The Module Enrolment fee of S\$630 per module does not include the cost of recommended textbook.

Purchase of Recommended Textbooks

Candidates will have to download and complete the respective Textbook Order Form under "[Download Forms](#)" Section to place order for the books. Please send the completed order forms via email to the respective supplier/publisher. The mode of payment is cash on delivery. Please contact the suppliers/publishers for further details.

Study Guide

Each of the five modules study guide is available on the website under candidate dashboard by the "Module Term Commencement Date". The study guide will include information such as the detailed syllabus, weekly study plan, recommended textbook and list of reading references. For Corporate and Business Strategy (CBS) module, project work forms part of the module assessment. The project requirement details (including deadline for submission) are also included in the study guide.

Module Deferment

There will be no refund of examination fee or withdrawal of the module examination registered. However, candidates may defer the same module to a later Module Examination date. Please refer to *Module Deferment Procedures* for more details.
