

## **ICPAS PROFESSIONAL EXAMINATION**

### **APPLICATION PROCEDURES**

Please read the following instructions with reference to the Important Dates and Information sheet carefully before completing the application:

#### **Assessment Application**

All applicants must first apply to seek approval to be a candidate of ICPAS Professional Examination via Online Application. Alternatively, applicants may also apply using the Assessment Application Form. Only approved Candidates by the ICPAS Board of Education and Examiners (BOEE) may then enrol for Module Examinations.

Assessment application is all year round, but if you desire to start with a particular module as your first examination, you should observe the "Assessment Application Closing Date" shown in the Important Dates and Information Sheet under that module.

#### **Confirmation**

All applicants will receive formal notification of application status by the Application Confirmation date. Successful applicants will be required to make payment of the first year Candidate Fee before they may register for Module Enrolment.

Candidates are required to make payment of Candidate Fee annually (due in January) for subsequent years to maintain candidature status to attempt the examination.
